The nutritional information supplied to you by Allen Flavors, Inc. is believed to be accurate and is offered in good faith as a service to our customer. However, Allen Flavors, Inc. does not assume any liability of the use of the information provided and the final beverage manufacturer is solely responsible for complying with all FDA regulations. The nutritional information is derived from calculations using Genesis R&D SQL and information provided to us by our suppliers. Variations in natural ingredients do occur. When it comes to the levels of vitamins and minerals, we calculate them on estimated degradation factors. Vitamin/Mineral retention is impacted by many factors and so Allen Flavors, Inc. recommends that manufactures analyze their particular products to ensure labeled levels and claims are met.
